

## **PTSB celebrates 10th anniversary milestone**

Pengerang Terminals Sdn Bhd proudly celebrates a decade of excellence in safety and service within the energy industry, marking a significant milestone in its journey.

Over the past ten years, the dedicated team at PTSB has consistently upheld the highest standards of safety and service, setting benchmarks for industry best practices. Reflecting on these achievements, the company looks forward to seizing the opportunities that lie ahead. Collaborating with esteemed partners and stakeholders, PTSB remains committed to shaping a more sustainable energy future.

The journey of success at PTSB would not have been possible without the steadfast support of its valued customers, whose trust and partnership have been integral to its growth. However, it is the team members who are the true heroes, with their hard work, expertise, and unwavering commitment serving as the driving force behind every milestone reached.

A heartfelt thank you is extended to each member of the PTSB family for their tireless dedication to serving customers and local communities every step of the way. Here's to celebrating these achievements together and to many more years of growth, innovation, and positive impact on the energy landscape. Cheers to a bright future ahead!
